Thlap'Qwum Community Settlement Trust - A further update to Members.

Members must advise the Administrative Trustee (TD) of their direction regarding the payment of funds. To date, about 500 forms have been received.

The money from Canada has not been received in the Trust as of yet but it is expected the funds will be received by late Summer/early Fall.

To ensure Members have given proper direction regarding their payments (to take place once the Fund are received in the Trust), they are to provide their information to the Corporate Trustee - Don Woods at TD.
