JOB POSTING

Lands Resource Technician (Land Guardian)

\$18.00 - \$25.00

JOB OVERVIEW

Reporting to the Lands Director, the Lands Resource Technician(s) (LRT) will be responsible for performing a variety of technician level duties to support the Lands Division. The successful applicant(s) will perform wildlife monitoring and reporting, forest patrols, ecosystem and forest health assessments, data and record collecting as well as ensuring the protection of the Snuneymuxw Traditional Territory's watersheds and terrestrial environment.

LRTs will assist various natural resource law enforcement agencies in monitoring illegal activities within the Snuneymuxw Traditional Territory. The LRT will be provided the opportunity to develop capacity through training and collaboration with local Conservation Officers, RCMP, and Search and Rescue members. Experiencing first-hand actual field and communication skills required to monitor and report illegal activities.

This is a part-time seasonal position lasting from October to March with one (1) mid week and two (2) weekend shifts per week. However, shift timing and frequency may change during the term due to operational need.

JOB RESPONSIBILITIES

As the Lands Resource Technician, you will be responsible for the following duties:

- Standard hours of work will be 4pm-12am (midnight) Wednesday, Saturday, and Sunday, subject to change based on operational needs.
- Efficiently and accurately report wildlife counts in Snuneymuxw territory/lands.
- Monitor hunting activities within Snuneymuxw territory/lands
- Provide information on wildlife monitoring and reporting at department meetings as well as possibly community meetings and Snuneymuxw council meetings.
- Work with CO's and/or RCMP to Observe Record Report suspicious activity.
- Work with Marine Division to conduct monitoring and patrol activities as necessary.
- Complete and log gate key distribution with Snuneymuxw members.
- Maintain active log of members requesting access to forestry and limited access areas.
- Participate in ongoing training.
- Carry out routine equipment maintenance under the direction of the Supervisor.
- Compile data, analyze and prepare reports.
- Maintain a clean working environment.
